**Tiburon Waterfront Home**

*with 6,000 lb. boat lift*

This south-facing property on Raccoon Strait is bathed in sunshine and boasts expansive views of the Golden Gate Bridge, San Francisco and Angel Island. Four bedrooms and two bathrooms in the main house and a separate studio apartment make this house very functional. The steel piles and dock are two years old. The house is well maintained and upgraded in many areas.

The lift is in adequate water for most all tides. Mar East is one of Tiburon's quietest streets with easy access to town – like living in a year-round vacation home. \$3,900,000
